# COOL TOOLS

## Philips Sonicare HealthyWhite Toothbrush \$149.99

Sonicare's unique technology creates powerful yet gentle dynamic cleaning action that reaches deep between teeth and along the gum line for visibly cleaner teeth, healthier gums and a whiter smile. Philips Sonicare is the #1 recommended sonic toothbrush brand by dental professionals worldwide.

EXPERT PICK

## Life Brand Sonic Skincare System \$74.99

Sonic skincare is the latest trend in skincare technology, making it easier to achieve and maintain smooth, healthy-looking skin. The handheld device feature oscillating brush heads designed to gently remove dirt and impurities and help prevent clogged pores.

"It's like getting a spa facial treatment at home. Simply wet your face, use a small amount of your favourite facial cleanser, and let the sonic oscillation do the work."

Pierce Rees, Beauty Expert
